Application to deliver Pearson qualification(s)

4 June 2021

Dear Head of Centre

Thank you for your application to offer the qualification below.

I am pleased to inform you that we have approved your application for **Face to Face delivery**.

Programme Code	Qualification Level and Title	Approved To	Certification End
DTBK6	Pearson BTEC International Level 3 Diploma in Marketing	31/08/2025	31/08/2028

Please note that the accreditation dates shown above are correct at the time of issuing this letter. Please periodically check Edexcel Online for the most up to date information.

You have advised us that the above qualification will be **assessed in Albanian** and you may now publicise this qualification and register learners.

The following recommendation has been made regarding the above qualification:

Translation of Pearson assignment briefs should be done by a translator who is familiar with the subject matter. Please also advise the translator that the command verbs at the beginning of the assessment criteria and learner's activities are very important.

Please note we request that learners are registered as per Pearson guidelines, which can be found on our website [here](#).

If no registrations are made within two years of the approval date, approval may be withdrawn and a new application for approval will be required.

All details relating to the administration, delivery, quality assurance and certification practices of this qualification, as well as further information around the resources and tools available to you, can be found on our website [here](#).

If there are any changes to your centre that may affect your ability to deliver Pearson qualifications, including changes to your address or Head of centre, you must inform us immediately.

You are required to keep a complete copy of your approval application form and supporting evidence for the validity of your recognition and required to promptly make these available to Pearson and/or Pearson representatives upon request.

Thank you for choosing to work with Pearson. We wish you and your learners every success for the future.

Yours sincerely,
