

**CHILDCARE SERVICES AGREEMENT BETWEEN UNIVERSUM
COLLEGE AND THE FINNISH SCHOOL OF KOSOVO**

March, 2022

Please read the conditions carefully before signing the document. These are the conditions governing the agreement that operates between the Finnish School of Kosovo and Universum College.

Through this agreement, the Finnish School of Kosovo, situated in close proximity to the Universum College campus, extends a special offering to the administrative and academic staff of Universum College.

This comprehensive offering underscores our commitment to nurturing and serving the entire Universum College community.

Terms of the Offer:

Discount: All eligible Universum College staff members, both administrative and academic, are entitled to a 50% discount on childcare services (including supervision, basic care, educational activities, nutrition, nap/rest time, structured and outdoor play), primary and secondary school offered by the Finnish School of Kosovo. Universum College students are also eligible for this service although discounts do not apply to them.

Eligibility: This offer is valid indefinitely and extends to all current and future members of the Universum College community, including faculty, administrative staff, and students.

Services: The Finnish School of Kosovo will provide high-quality childcare services, including supervision, basic care, educational activities, nutrition, nap/rest time, and structured and outdoor play, to Universum College staff members' children and the children of Universum students.

Enrollment: To avail of this discount, Universum College staff members should contact the Finnish School of Kosovo directly for enrollment and provide proof of their affiliation with Universum College.

We, the undersigned, confirm the authenticity and validity of this document, and it is our mutual commitment to uphold the terms of this agreement.
